Content: Silver Key Chest Locations and Checklist

IMPORTANT: The Demon Door in The Necropolis wants you to permanently hand over all Silver Keys in your inventory before it will open. You can avoid losing your keys using one of the following strategies:

- a) Don't collect any silver keys before talking to the door. It will open despite the fact that you have no keys to give.
- b) Avoid talking to the door until after you have opened all the Silver Key Chests.
